## Introduction

In order to operate the Groton United Methodist Church with many Christian activities and services in a cost conscience manner and to promote interaction among members and other persons who attend our church, we rely on a system of committees. If you believe that you have received this booklet in error because you no longer attend the Groton United Methodist Church, please contact member chairman, Anita Lowary, or parish secretary, Kay Daly, to be removed from the list.

Committees for each month are made up of all members and all persons attending the Groton United Methodist church. Our goal is to have practical, dependable, all encompassing work committees to enrich our worship and maintain our church. If we continually rotate our responsibilities, it will create a wider community in our church, teach us about the church, encourage loyalty to the church and allow us to broaden our friendships. It allows us to have change and not to become set in our ways, an unintended barrier to gaining new members.

Young children are not listed, but parents are urged to include them when they work. As children are confirmed, they are added to the committee with the rest of their family. As children move away or leave for college, they are removed from the committees. Everyone will be assigned as a monthly chairperson at some time. Honorary members are also listed.

If your family is unable to assist in the particular months assigned, it is your responsibility to trade with someone in a different month, and to let your chair families know. Also, if you know you will be gone several days or weeks during your assigned months, it is most helpful if you find a replacement to work for you and that you let your chair family know.

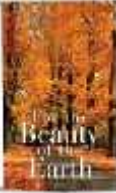

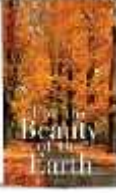

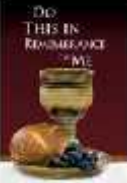

Chair families (**in bold print at the top of each month**) should meet with their committee prior to their month of service to plan the month's activities and assign duties. Be sure all committee members are aware of the planning meeting. Contact members who cannot be present to provide opportunities to help. Members who have not spoken to the chairpersons should call them. Chairpersons should be in communication with the pastor about activities and committee assignments during your months. Chairpersons do not have to be present every time something needs to be done.

**Please post a copy of the committee assignments on the kitchen bulletin board and give a copy to the pastor.**

## Monthly Responsibilities

- ✓ **Buy Supplies** such as paper towels, napkins, cleaning supplies, and coffee. You may charge to the United Methodist Church at Ken's using number 8270. (Be sure to sign the slip and mark what it is for). Or you may purchase items yourself, giving all itemized receipts to church treasurer for reimbursement.
- ✓ **Sunday Coffee Hour** needs to be organized, served, and cleaned up. Have coffee, 2<sup>nd</sup> beverage, and cookies or alternate lunch item (like cheese & crackers). Church pays for coffee and rest is furnished by committee. Sunday coffee hour is served from **10:00-10:45** to allow time for the workers to clean up and attend church. Please be ready to serve by 9:45 and coffee takes 45 min(on by 9 am). In the months with 5 Sundays, chairman may opt to buy donuts and be reimbursed by church treasurer.
- ✓ **Monthly Potluck** is left to the discretion of the monthly committees. It is recommended that committees especially look at Special Sunday's (like Rally Sunday and others) that a potluck would enhance. The Administrative Council urges having the potluck meal unless not practical, as in the summer months. Potlucks will need to be organized, setup, served, and cleaned up. The committee furnishes hot dishes, makes coffee and water. To vary this you could all go together and make one hot dish, or each committee member family brings one on potluck Sunday.
- ✓ **Carpet** needs to be spot shampooed as needed.
- ✓ **Dish towels** need to be laundered after each activity.
- ✓ **Trash** needs to be removed from the building after each activity. Trash pickup (in bags or cans) is Tuesday mornings after 8:00 a.m. in the alley west of the church. This is not only the duty of the work committee, but also any activity chairman, trustees, and the janitor.
- ✓ **Wedding, Anniversary, and Birthday Receptions** can be served at the church, if permission is obtained from the church office. Put the kitchen and fellowship hall back in order, clean reception cloths, and assist family in any way they request.
- ✓ **Other Independent Organizations** (Such as PEO, school activities, charities, youth groups, etc) can use the church for their meetings if 1) at least one Methodist is a member and who will be responsible for collecting the rent and making sure cleanup is done, and 2) if permission is obtained from the church office. Monthly committees need not participate, but must report if cleanup is not done or if there was misuse of the building.

- ✓ **Altar Flowers** need to be kept in good appearance. If there are no bouquet donations, you can bring something from home or if it is a special holiday, purchase an arrangement. If there is no charge account where purchased, present bill to church treasurer.

Fluff the wreaths and bows, replace bows if needed. Stretch out garland, check out the lights and replace if needed, fluff the garland. ## Funerals

Because funerals have been a significant part of the monthly work committees' duties and an important part of church activities, two committees of all members and persons attending the Groton United Methodist Church have been formed which are separate from the monthly committees. Each funeral will be rotated between the two funeral committees. The chairpersons of the funeral committees (**listed in bold at the top of the committee list**) can also rotate for each funeral (or the chairpersons may decide to act together). This prevents handling two funerals in a row by the same group of people.

A meal or lunch may be served at the request of the family. The menu choices are:

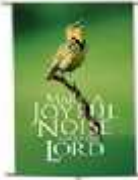

1. Scalloped Potatoes and Ham, Vegetable (green beans or corn), Buns, Pickles, Bars or Cakes, Coffee, and water.
2. Sandwiches, Chips, Relish Tray, Bars or Cake, Coffee, & water.

The pickles, chips, and bars or cakes are furnished by the committee members. The other food items may be charged to the church or prepaid and the receipts presented to the church treasurer for payment.

Duties of the funeral Committee include:

1. Setup may be done the evening before the service.
2. Prepare the church sanctuary by removing unnecessary tables, flower stands, out of place items, and changing the banners for the funeral.
3. Setup tables and chairs for expected attendees (which may also need to be set up in the Sunday School rooms).
4. Reserve tables for family members at convenient locations in the fellowship hall.
5. Prepare a small table in the room with the mourners with tissues, coffee, and water.
6. Prepare or furnish food.
7. Serve food in family or buffet style. Keep the food rotated or filled.
8. Cleanup should be done by the evening of the funeral. Cleanup includes kitchen, fellowship hall cleanup as well as taking down tables and chairs that were set up, changing the banners back, and replacing the flower stands.

The local funeral home has been made aware of this menu policy. The pastor will have contact with the family no matter the funeral home used. In the absence of the pastor, Diann Morehouse (298-5622) will act as coordinator and will offer advice and assistance to the committee chairman. More funeral instructions and recipes are located in the blue 3-ring binder in the north kitchen drawer on the west counter.
